## Martensville Christmas Tree Collection Site

December 2020

---

The City of Martensville requests that residents dispose of their Christmas trees at the Yard Waste Composting Site (10th Ave. S) in the area designated for tree limbs. This site is accessible off of 10<sup>th</sup> Avenue South and is located directly south of the dog park.

---

## Christmas Tree Preparation

In order to ensure the safety of our residents and the environment, we ask you to please do the following before dropping off Christmas trees:

- Remove all lights, ornaments, tinsel, string, garland, tree stands and any other decorations
- Do not dispose of artificial trees or household waste
- Do not bag or wrap your tree (including recyclable tree bags)
- Please do not stack or place trees in a manner which may cause them to easily topple over, or in an area which impedes vehicular or pedestrian traffic

If you have any questions or would like more information about either the Christmas tree collection site please visit the City of Martensville website ([www.martensville.ca](http://www.martensville.ca)), or contact the City of Martensville at (306) 931-2166.

---

**Thank you for your cooperation! Happy Holidays!**
