Habitat for Humanity Saskatoon

Habitat For Humanity Saskatoon
122 Avenue D South

- We started in 1992
- We have built 50 new homes
- For the first time, we moved, and renovated a 4plex, which is now located on Camponi
- We have expanded, and have moved 2 families into Habitat Homes in Humbolt
- 95% of our homes are built with volunteers

What is a ReStore?

- ReStores accept donations of new and gently used items and sell them to the public
- All of the profits of the ReStore go towards Habitat's mission of eliminating poverty housing
- We help prevent usable items from ending up in the landfill (We were green before green was cool!)
- We are a source of lower-cost building materials and household goods

Saskatoon ReStore

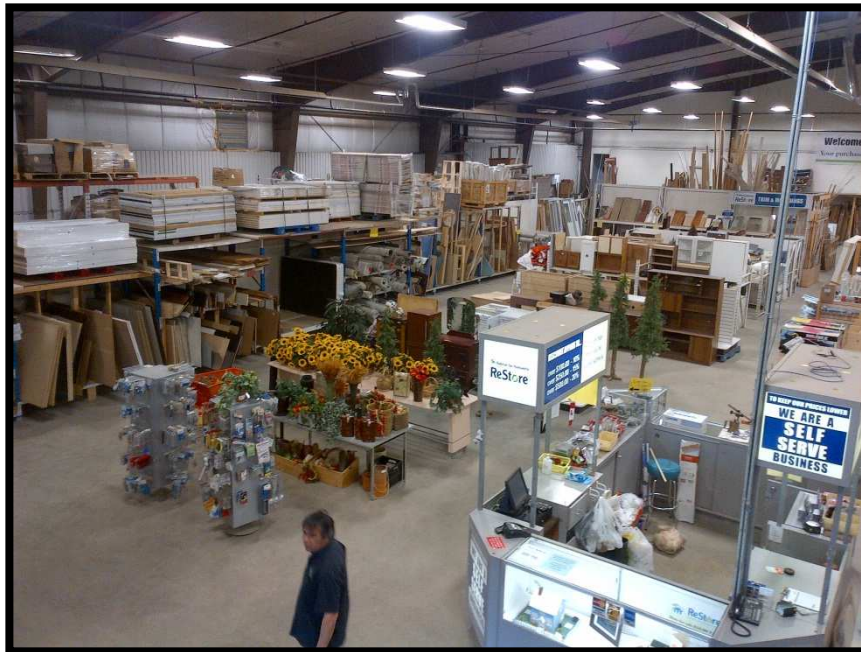

- We have been open since 1993
- We have raised enough money to build 50 homes in Saskatoon
- We offer donation pick-up and deconstruction services
- We have numerous volunteers from the community, as well as businesses.
- 250 tons of product is saved from the landfill, making us one of Saskatoon's largest recyclers
