# Lightning Talks: *Local Waste Innovators*

## *Nolan Hubbard- Richards*

*Sarcas: Communications and Culture  
Coordinator*

## **Recycling Convenience: Sarcas Drop & Go**

*Nolan has been with SARCAS Recycling for 10 years, starting off in Kipling as a part time Recycling Technician and working his way up to becoming the Communications and Culture Coordinator. He lives in Regina with his wife and spends most of his time with his 5 dogs or playing around rebuilding old computers. Sometimes they probably wouldn't be considered "computers" in the end, but he tries.*
