

Showing Appreciation

Mental Health Awareness

Waste & Recycling

**Promoting positive
mental health through
acts of recognition
is part of our everyday.**

We give back to our community.

Encouraging residents to read and fill their hearts by offering a free TAKE A BOOK LEAVE A BOOK program at our recycling facility

We publicly recognize the Operations Team on our city internal website.

As I look my window in the pouring rain, I capture this moment. Brian, our Waste and Recycling Ambassador
Exceptional customer service at it's finest. Thank you from all of us.

Big shout out to the Roads department!
Not only are they working hard in this heat to make the City of Airdrie' s roads safe, they still make time for all our city facilities.
Thank you from the Recycling depot staff.

We find unique ways to gift through upcycling.

Upcycled gifts to say
Happy Mother's Day
from the staff at Waste
and Recycling!

We regularly recognize our team's work.

Providing words of encouragement and recognition for work well done.

Thank you!

You've
bin great!

We leave thank you cards.

We created
“Thank you”
cards to show
appreciation to
contractors or
residents in
addition to
cards for other
department
colleagues.

We host events.

Providing yearly “Round-up” events where we spread information and give away prizes.

We improve the experience for residents at the recycling depot.

Providing bins to make transporting loads easier for residents.

We provide giveaways.

Providing residents with complementary goods such as: battery bags, deodorizer, compostable bags, jar openers, and W&R Services guides.

We encourage recognition.

Residents are encouraged to ring the “Gratitude Bell” if they are happy with the service they received.

This place has the nicest people working there. It's so easy to drop off my recycling, they are very organized.

Helpful

We receive recognition.

We often receive positive feedback from the community, such as glowing reviews or even tokens of appreciation!

We work hard with a purpose.

In just 2 days,
the team was
able to bale
over 10,800 lbs
of cardboard!
That takes one
tough team!

**Thank you for your
interest!**
